Hospitality Sales & Commercial Operations | Consultative Sales | Trilingual
Mexico | pmtzk@icloud.com | [linkedin.com/in/pmtzk](https://www.linkedin.com/in/pmtzk) | pmtzk.co

PROFESSIONAL SUMMARY

Sales and commercial operations professional with 3+ years of progressive experience across six resort properties in Mexico, Saint Lucia, Grenada, and Jamaica. Managed direct consultative sales with transactions from \$200 to \$2,000+ USD, served as primary sales lead contributing to \$40K-\$60K in monthly team revenue, and designed upsell frameworks, KPI systems, and performance coaching structures that supported team production. Promoted from Resort Photographer to multi-property operations and sales leadership within 2.5 years. Positioned for hospitality technology and travel SaaS roles through direct experience inside resort commercial programs and practical knowledge of how hotel teams measure ancillary revenue.

CORE COMPETENCIES

PROFESSIONAL EXPERIENCE

PHOTOPRO (IL Gruppo Digitale) Hospitality Sales & Photography Operations	May 2023 – Present
Single continuous contract across six resort properties in Mexico, Saint Lucia, Grenada, and Jamaica — progressing from Resort Photographer to multi-property operations and sales leadership.	
Senior Operations & Sales Manager Royalton Saint Lucia	Nov 2025 – Present
Sole company representative in Saint Lucia. Direct relationship with hotel management and legal coordination for work permits. Full commercial and operational accountability on property.	
- Served as primary sales lead for the team, closing direct consultative sales to international resort guests from \$200 to \$2,000+ USD; team averaged 250+ monthly transactions at approximately \$160 USD average ticket, contributing to \$40K-\$60K in monthly operational revenue. - Designed an upsell framework and tiered sales structure to optimize revenue per client, combining per-transaction upsell logic with production volume targets; monitored performance weekly against KPIs including daily revenue, average ticket, guest capture rate, and sessions booked. - Built a custom monthly data analysis tool in Google Sheets to support weekly performance reviews, monthly planning, and reporting to leadership. - Designed a four-level employee progression framework with bilateral performance logbooks, standardizing onboarding benchmarks and evaluation cadence across the team. - Managed full recruitment cycle for 11 hires across all deployments; issued formal performance warnings and managed staff separations. - Coordinated with Events, F&B, Guest Services, and hotel management on operational delivery and escalation resolution.	
Operations & Sales Manager Catalonia Costa Mujeres, Mexico	Sep 2025 – Oct 2025
Short-term inter-property deployment; maintained sales standards and commercial operational cadence across a team of three experienced professionals.	
Operations & Sales Manager Royalton Negril & RIU Palace Aquarelle, Jamaica	Dec 2024 – Aug 2025
- Led a combined team of six across two properties — approximately six months at Negril, three at Aquarelle — responsible for daily sales operations, KPI tracking, and team performance across both deployments. - Recruited, onboarded, and trained new team members from no prior experience to independent performance.	
Operations Manager Royalton Grenada	Jun 2024 – Nov 2024

- First management deployment; established operational routines, sales coaching cadence, and KPI tracking. Recruited and fully onboarded one local hire with no prior experience.

Team Lead | Royalton Saint Lucia

Sep 2023 – May 2024

- Supported senior operations management; coordinated daily team logistics and assisted with sales coaching and service delivery.

Resort Photographer | Catalonia Playa Maroma, Mexico

May 2023 – Aug 2023

- Direct guest sales and service delivery; starting point for internal promotion to Team Lead and subsequent management track.

COMMERCIAL DEVELOPMENT PROJECT

EXIF Studio

2025 – Present

- Conducted competitive market research on visual content positioning within the luxury hospitality sector; developed service architecture and project-basis commercial offering.
- Executed outbound prospecting via cold email and LinkedIn to hotel owners and property managers — earliest evidence of self-initiated B2B commercial activity and hospitality decision-maker communication.
- Built familiarity with how independent properties evaluate and contract external commercial services.

TOOLS & SYSTEMS

Microsoft Office: Excel, PowerPoint, Word | Google Workspace: Sheets, Docs, Slides, Drive, Calendar, Meet, Keep | Collaboration & Planning: Notion, Slack | Visual Communication: Canva | Selective use of AI tools for research, communication drafting, information synthesis, project organization, and data analysis
